

Family Donations to the School

Throughout the year the PAC organises fundraisers to support extra-curricular activities such as dance instructors, science presentations, performing arts and so much more. These funds also aid in the financial costs of transportation, field trips and other items that enhance our children’s education. We would like to offer parents the option of making a “Tax Deductible Donation” to the school as another way of the supporting the PAC and the school. We recommend \$50 per child or \$75 per family, however, you may choose to donate any amount (donations of \$25 or more will receive an income tax receipt from the district).

If you wish to contribute to the Family Donations program please complete the below form and return to the school. Deadline is Monday, December 12, 2016.

Thanking you in advance for your time and consideration.
